SUMMIT EXHIBITOR OPPORTUNITIES

GBENN is seeking Exhibitors for its 2016 Summit

Consider being an exhibitor and/or sponsor for the 2016 Summit. We expect 30-50 green business programs from across the country to attend the summit with a combined reach of over ten-thousand green businesses across the nation.

Exhibitor Table: \$500 each

- Organization's listing on the 2016 Summit agenda
- Announcement of exhibitors and sponsors in morning opening remarks
- One Table to Display company materials during the session and at breaks (limited to one product or one organization per Table)
- Company name and logo in all pre- and post-Summit print materials and on GBENN 2016 Event Webpage
- Logo and name inclusion in sponsor page of Summit power point presentations
- One complimentary ticket to the GBENN 2016 Summit

GBENN 2016 Summit Objectives

At the 2016 Summit, GBENN looks to build upon its strong foundation to grow and scale network impact nationally.

- Advance strategic development goals of the Green Business Engagement National Network - driving greater network impact.
- Strengthen the dialogue and advance collaborative opportunities that began at the 2013 Summit
- Share best practice information across programs and foster collaboration that advances the unique objectives of green business programs.
- Create collaborative programming that strategically stimulates network growth
- Engage new green business engagement programs in the network, fostering networking and relationship-building between programs

Accelerate the growth of the Green Business Engagement National Network by supporting the 2016 Summit. Through your support, green business programs will be able to better refine and grow their programs and create long lasting relationships with peers throughout the United States.
