

PARTNERS FOR A CLEAN ENVIRONMENT

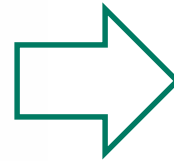

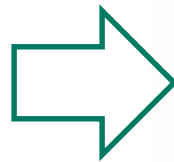

Zac Swank

zswank@bouldercounty.org

PACE History

Partners for a Clean Environment has been a one-stop-shop for business sustainability in Boulder County for over 20 years

PACE's Impact

PACE advisors have helped

+2,300

businesses make upgrades

Upgrades have led to

130

businesses earning PACE certification

GHG reductions equivalent to taking

4,700

cars of the road

Boulder County businesses are saving

+\$2,000,000

on their utility bills every year

What is PACE?

PACE provides:

- Onsite assessments
- Expert advising services
